

## **Kingham Jewellery School Covid -19 Health and Safety Guidelines**

We have introduced a few new guidelines to make sure the workshop is clean and safe for everyone to use.

It is extremely important we all follow the guidelines set out here to minimise the risk to all of us and ensure the school can remain open.

### **Please do not attend the workshop if**

- You test positive for Covid-19.
- You feel at all unwell.
- You have been abroad (to any country) 7 days prior to your class.
- You have returned from a country on the government quarantine list. Please wait until your quarantine period has passed.

### **Please ensure the following**

- If you test positive for Covid-19 after attending a class please notify the school as soon as possible.
- Hand washing or sanitising on arrival and throughout your class when necessary.
- Please wear a face mask in line with current government guidance.
- Keep all sanitiser sprays and pumps out of the way of naked flames.
- Clean all shared equipment immediately after use.
- At the end of your session clean all individual equipment, clean out your skin, (leather under bench ), of metal, blades and plastic and wipe down your chair.
- Remember to take all your belongings with you when you leave.
- Leave all unnecessary personal items at home.

### **You will need to bring**

- Your own mask.
- Your own apron.
- Your own eye protection for drilling and polishing.

And finally, no kitchen sorry! This means no refreshments or crockery can be offered at the moment, please feel free to bring your own mug, flask of tea, coffee, water etc..
